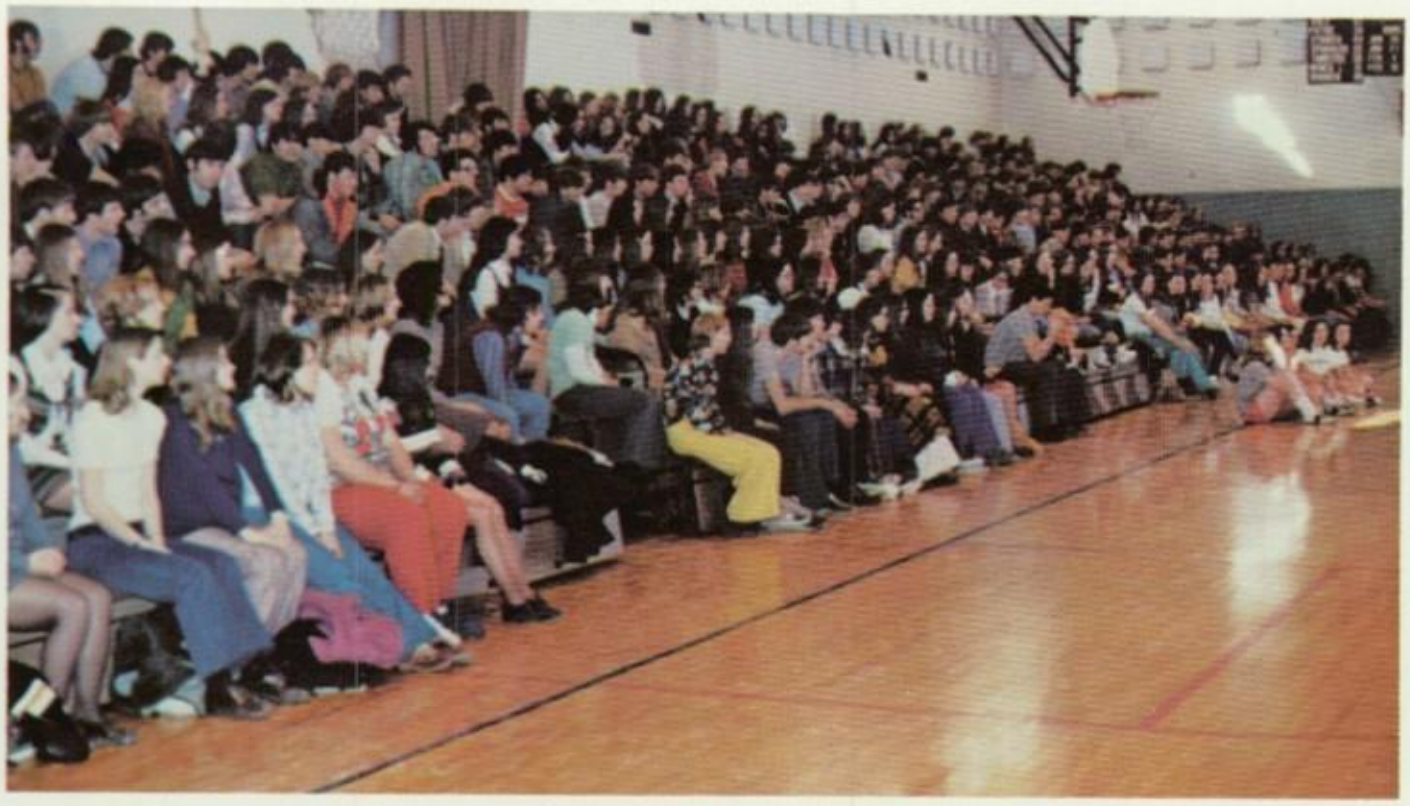
Hi!



May Love Be Your Guide

May Love be your guide
In this world that we have
left;
Let Joy control your heart,
Including everything that's
best.

Keep your spirits happy
Wherever you may be;
Show your gladness to the
world
For all of them to see.

Shake hands with your
brother
As he droops in a darkened
corner.
Or smile at your sister;
For she, too, may need a
friend.

All walks of life are dif-
ferent
As we go our separate ways;
There are falters on the
high roads
And bumps upon the sides.

Everyone has the same trou-
bles,
Or as much so, it seems;
We'll run head-long into
our goals
And lag behind our dreams.

Joyful times may pass us
by,
Tragedy may begin to stir,
And make us believe we've
missed good things
That only we deserve.

I Walk Alone

I walk down the hall, I
walk alone.
Thinking about the four
years I've spent in this
school.
Wondering what next year
will bring
Where my friends will be,
where I will be?

I walk past my classrooms
Thinking about all the good
times
And some of the troubled
times.
Wondering why I didn't work
just a little harder to
achieve that "A" or "B"

I walk out the door for the
last time.
I turn around and look
remembering what a good
time these four years
have been,
Wondering what the future
holds for me.
Wondering what will become
of me.

Charlene McPeak

May Love be your guide
In this world that we have
left;
Let Joy control your heart,
Including everything that's
best.

Mary Detillion

Life Is . . .

Life is finding a rainbow
and following it to the
end.
Life is dreaming of tomor-
row and aiming for eter-
nity.
Life is taking away hatred
by showing love to all.
Life is looking at a flower
and seeing the miracle
of God's world.
Life is running through an
open field with the wind
blowing in your face.
Life is sharing a smile
with a friend, neighbor,
or just a stranger.
Life is struggling for
peace and showing cour-
age in time of hardship.
Life is shown in a small
child's wonderment over
a simple blade of grass.
Life is watching kittens
fighting playfully in
the sun.
Life is gazing at a tree
and feeling as if you
were part of it.
Life is taking these pre-
cious moments of life
and making them impor-
tant!

Trudy Conklin

The Day Before Tomorrow

O splendid day, stupendous
day.
This day devoid of
sorrow.
My world revolves around
this day.
The day before tomor-
row.

I cannot see why some must
choose
To have their life-
plans set
Or why they always want to
fuse
The "Now" with "Not-
Here-Yet."

It's ones like those that
always seem
To mess up joyous
things.
Because of some small fu-
ture dream
Wherein the sorrow
strings.

I wish that they would live
my way,
Forget all future sor-
row.
Enjoy the pleasures of the
day.
This day before tomor-
row.

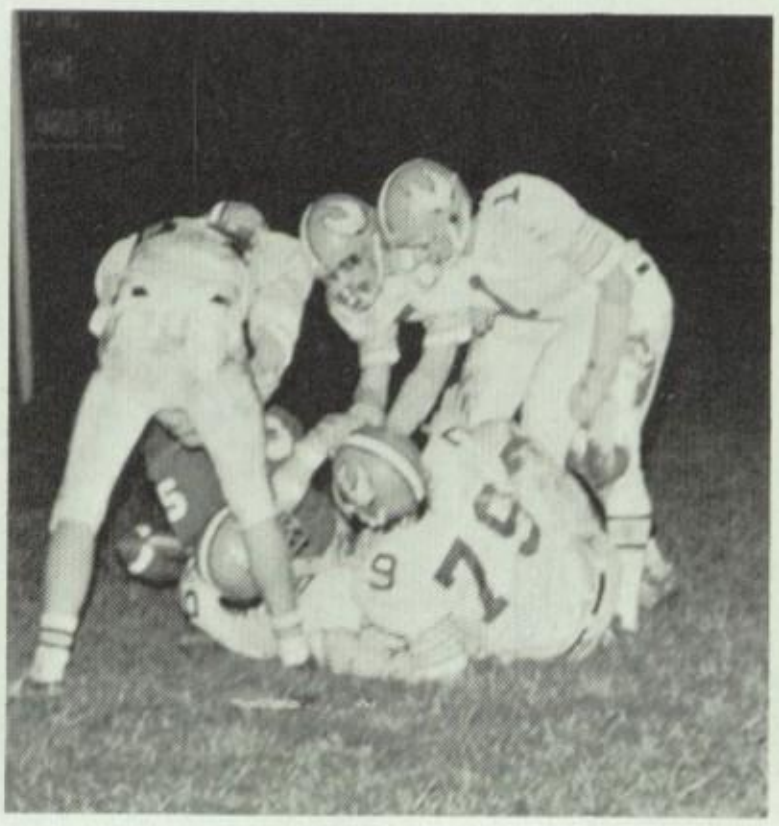
Win Or Lose It's What's Happening



Football 1973

The 1972-73 football team finished with a record of 3-6. As it has been so often in the past, the downfall of the Eagle squad was the lack of offensive punch. This was evident from the very beginning when the team lost to River Valley 22-0. The next week the squad traveled to Ridgedale, and in a defensive struggle, emerged victorious 3-0, on a field goal by Dan Stuckman. Riverdale handed the Eagles their most decisive loss of the season 34-0. The following week was much the same as Carey defeated the team 30-0. The next week at home Colonel Crawford lost to Pleasant 22-0. The Eagles then flew to arch-rival Wynford and, with senior tailback Ron Schroeder rushing for 150 yards and Bruce Cook plunging over for the touchdowns, defeated the Royals 19-0. October 20th found the Eagles battling a tough Elgin squad and winning the homecoming tilt 14-0. Traveling to Mohawk, the Eagles had trouble in stopping the Warriors who outscored them 30-6. The final week of the season found CCHS playing county-rival Buckeye Central at home for Parent's Night. It was a hard fought contest, but the Eagles came out on the short end of the scoreboard again, 12-9.

Two Returning Lettermen Help Build Team

The 1972-73 basketball season was dreaded by nearly everyone as only two lettermen were returning. But under the direction of head coach Vern Noggle, six senior and seven junior boys went to work and fared much better than pre-season predictions indicated they would.

The seasonal record was 8-12, while in the conference, they were 2-7. This is a little misleading in view of the fact that five games were decided by one or two points and eleven were within six. With a few breaks, the season could have been much more impressive than it shows. As far as team statistics went the Eagles scored 56.3 points per game and their opponents 58.6 showing the closeness of their games. Rebounds were a positive factor as CCHS had 31 to 27.8 for the other team. Awards went to Steve Brause, Ed Redmon, Gary Miller, and Dennis Courtad.

The cheerleaders did a fine job this year. They were always busy doing various things like painting signs, planning pep rallies, writing Victory Letters to the players, baking cookies, and staying after school twice a week for practice. The cheerleaders supported all sports this year including Cross Country and Swimming. They also attended the football scrimmages last summer at Bluffton, Cory Rawson, and the scrimmage with Canal Winchester which was at home.

The varsity and reserve squads attended the NCA Cheerleading Camp at Lexington, Kentucky last summer. They enjoyed it very much and won a total of seven ribbons. They would like to thank the students and the faculty for their support this year.

Round Up Season with Even Record

The reserve team this year was composed of three freshmen, Jeff Tomeko, Larry Winch, Bill Dapper, nine sophomores, Joe Nauman, Jim Payne, Rick Beck, Jeff Dummitt, Gary Ogle, Tim Fruth, Brant Zucker, Cliff Striker, Mark Spangler; one junior, Dave Worden; and one senior, manager, Dennis Spiegel. Coach Hudson was faced with much inexperience and spent the whole season building up the boys' confidence.

The team ended with an even 9-9 record but they were outscored 41 to 37. 2 points per game by their opponents. Free throw percentage saw the Eagles winning 54% to 49%, while they were outrebounded 26.8 to 23.4. Dave Worden was the top rebounder and scorer.

With hard work and determination, the reserves will carry on the CCHS winning tradition.

Muscles Bulge in Physical Fitness

Is it heavy?

Is it that bad?

They sure have Mr. Pierce pinned.

An athlete, to become great, must have physical and mental supremacy over his fellow competitors. To reach this he must condition all year long. Then when his or her sport comes along he will be ready to contend with the physical activity. The winter physical fitness program at Colonel Crawford is geared to improve the quality of athletics at our High School. With the help of the coaches, the boys come voluntarily to work out to strengthen their physical weaknesses by exercising, running, and wrestling. For those not involved in athletics, your season can be the entire year. The physical fitness program is open to any boy who is interested.

The track team opened their season with a win over Ridgedale. In a tri-meet with Buckeye Central and Carey, the Eagles captured second place. Mohawk defeated the team in a close race. In a duel meet with Buckeye Central, the boys were tramped again. Crestline proved not to be a very tough team for the Eagles. The team worked hard in a tri-meet with Plymouth and Northmor and came out with first place. The Eagles ran over South Central and fell to their county rival, Wynford, in the next meet. Cardington and Big Walnut were easy opponents for C. C. H. S. Crestview fell to the Eagles in their last meet. C. C. H. S. was part of a tough sectional and only Ron Schroeder qualified for district. He placed sixth in the District Meet.

Carol in action.

There were approximately sixty who tried out for volleyball this year. They were chosen after a few days of practice by their serving and volleying skills. Their participation and cooperation also had a part in the final choice of the team members. The Varsity had a winning season ending with a 4-2 record. The Eagles were defeated only by Ontario and Bucyrus while they trampled Buckeye Central, Ridgedale, Upper Sandusky, and Elgin. The reserve followed in the Varsity's footsteps with a winning season.

E'Gal's Basketball Shows Promise

The Reserve team flew high this year ending their season with a four and two record. The girls fell to Upper Sandusky and Wynford. The Varsity did not do as well. They finished with a two and five record. The E'gal varsity won over Buckeye Central and Upper Sandusky. However bad or good, the girls worked hard in their few practices. The teams would like to thank their supporters, timers, scores, and manager. A special thanks goes to Coach Ruckman.

The gymnastics team at Colonel Crawford had their fourth and most active season this year. The previous three years were building years for the program. This season the girls competed in their first three meets; the first, a dual meet, of compulsory routines only with Ridgedale (score C. C. 48 — Ridgedale 34); the second a tri-meet of compulsory and optional routines with Crestview and Ontario (score C. C. 92; Ont. 57; Crestview 11); the third was the Northwest District Performance Day at Lima Shawnee in which only individual scores were computed.

The girls softball team did not have a very successful season. Due to the rainy spring, most of the practices and some of the games had to be cancelled. The record for the season was 0-4. The girls were defeated in a close game with Crestline. On the day of the Bucyrus game it turned out to be very cold and highly unsuccessful. The last two games were with Ontario, and the Eagles were defeated in both by a wide margin.

'73 Annual Staff the Best Yet

These are the hard working leaders of the annual staff. Mrs. Jones, Advisor; Janet Wagner, Business Manager; Bev Kraft, Sports Editor; Kathy Neumann, Activities Editor; and Linda Newman, Editor.

Jim Cuffman sold the most '73 Golden Eagles.

Each year the members of the annual staff puts in many hours of hard work to produce the Golden Eagle. The purpose of the annual is to keep records of the happenings at C.C.H.S. Linda Newman has the job of being the editor in charge of everything that goes into the annual. There are three assistant editors. In order to produce an annual the following steps must be taken. A designing of the cover and each page is the first step. Each page is layed out on a dummy sheet and then transferred to the permanent record sheet. Everything is checked and double-checked before sending to the plant in Tennessee.

The Top Brass newspaper is published once a month. Its purpose is to carry news of the school. The staff is made up of two editors and two co-editors. They could not get along without the typists, reporters, exchange editor, photographer, or artist. All articles are channeled to the advisor, Mrs. Huff, for mechanical correction and approval. The first typing is done for each article to determine the column space. All articles are then typed a second time to insure even columns. The next step is to paste up articles on pages furnished by the publisher. Headlines are written by the editors and the copy is mailed to the A.G. Halldin Company in Indiana, P.A. for publishing.

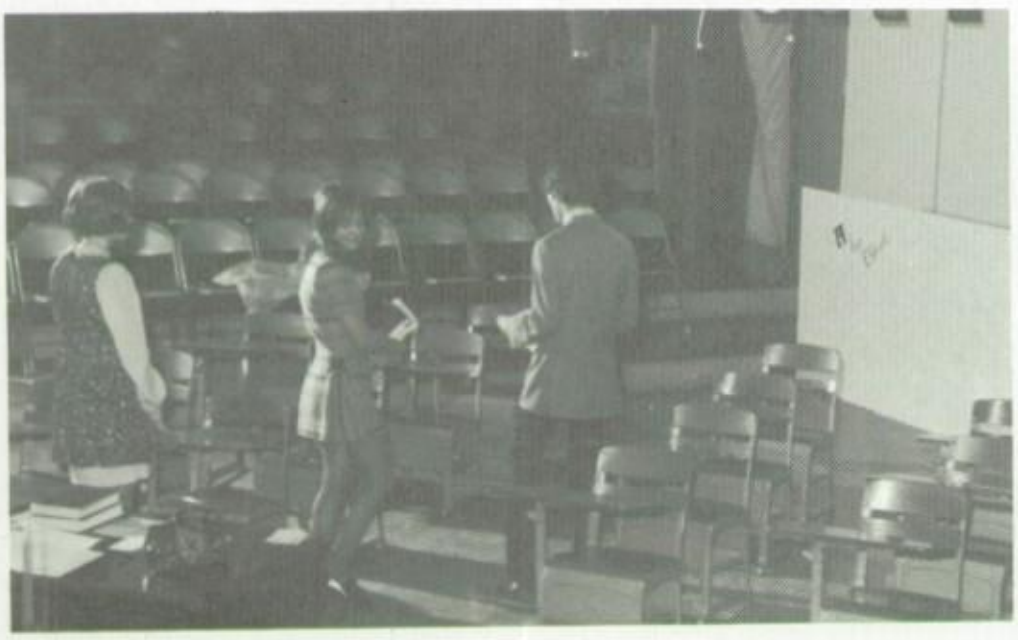
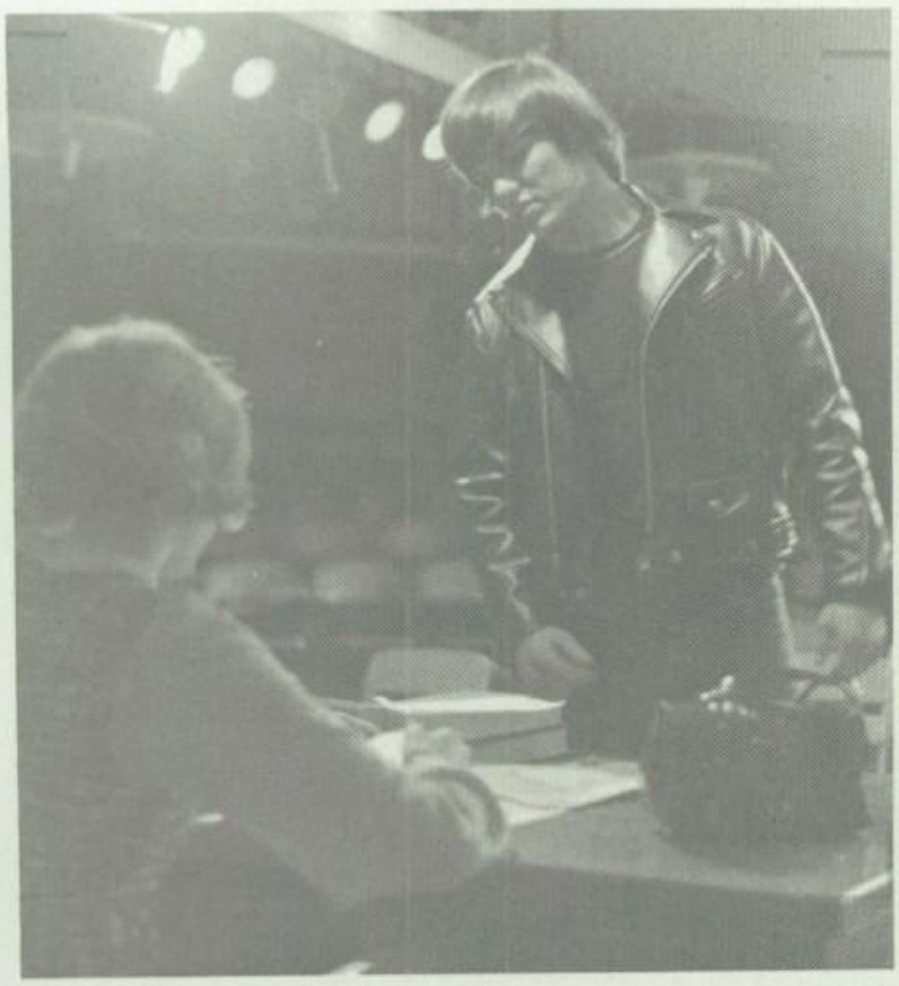
Stop cheating on the test, class.



What's so interesting Alice?

Oh, what a bore.

On Friday and Saturday night, November 10th and 11th the speech department presented the play, UP THE DOWN STAIRCASE. The twenty-eight membered cast acted to a full house each night. Thanks to the other members which helped make the nights a complete success. The audience enjoyed all aspects of the play but the rehearsals with their fun and work will be well remembered by the cast.



Joe Ferone gives Miss Barrett his excuse.

Valerie Sherk as Bea gives additional information.

What's the matter Jackie?

Homecoming Court of 1972

As in years past the student body chose their Homecoming Queen. This year Rhonda Bauer was chosen. Her attendants include Ann Rendlen, Sophomore Attendant; Joyce Studer, Senior Attendant; Debby Reynolds, Junior Attendant; and Wendy Ryland, Freshman Attendent.

She was crowned by retiring Queen, Nan Alt, while the Colonel Crawford Band played the background music.

The Eagles squad flew by the Elgin Comets with a score, 14-0 in the presence of an excited crowd in honor of the Queen.

The dance on the following night was said to have been a great success. The Queen and her Court wore long velvet dresses to be the highlight of the dance.

Student Council Provides Entertainment

The Student Council represents the student body. They meet to decide on school issues or student body problems. One of the main projects is organizing assemblies for the student body. The First Session a group of talented singers entertained at an assembly. Later in the year a magician Dr. Lloyd, preformed magical feats which mystified the students. The Student Council sponsored the successful annual Homecoming dance and dances after basketball games. They are also in charge of the once a month WGLX radio program. The whole student body thanks the Student Council for their fine effort.

The talented members presented many outstanding half-time performances at football games. The band marched in many parades including the Crestline Harvest Parade in which they won an award for the best band there. After marching season, they went to work on new music to be presented at the winter concert.

They also presented a spring concert.

The pep band kept up spirit at the home basketball games. As one can see, the band is something the whole school can be very proud of.

The members of the Eagle Chorale were very busy showing their talent this year. Mr. Schwepe, being new at CCHS, became busy right away setting up concerts and various events. The first public performance given by the new Eagle Chorale was in the form of a Fall Musical. The second concert was a Christmas program. The Eagle Chorale went to work again to learn a difficult yet very beautiful collection of music, the "Mozart Requiem." They sang these songs at various churches to help in the worship of the Lenten Season. After this was over, there was to come a Spring concert where modern music was sung. All together, the choir had a very busy year.

The FFA is an organization of youth with an interest in agriculture who are enrolled in Vocational Agriculture. The members are not all farmers, more than half of our membership do not live on full-time farms, but they are interested in other phases of America's number one industry. They are Agriculture Business and supply, food processing, mechanics, horticulture, and many others. We believe in our purpose of making better leaders by building values of citizenship, patriotism, cooperation, scholarship, and pride into our members and organization.

There are many individual awards available to those who seek them. Our chapter received a "superior chapter" rating this year, but as a paragraph in the manual states, "Just as there are metals more precious than bronze, there are higher laurels yet to be attained."

The annual FFA Banquet was held, Monday, April 30. As one of the activities they had a hog calling contest. The FFA winner was Wesley Christman. Don Lowmiller won it for the fathers. To highlight the banquet Paula Dapper, the 1972 queen crowned the new FFA Queen, Debby Reynolds. Her runner up was Jody Staiger.

Prom

1973

The 1973 Junior Senior Prom began with a banquet at the Brown Derby. Jim Butt was the toastmaster and Jody Staiger read the class prophecies. Mr. Hudson closed the program with the remarks of high school life. Following the dinner a quartet, consisting of Debbie Garn, Bev Kraft, Mike Shull, Mark Roseberry, and accompanied by Carol Trash, entertained with beautiful music. After the banquet everyone met and entered a beautifully decorated gym expressing the theme, "Love Story". The couples danced to music from "The Union". The tables were decorated with lighted candles surrounded by flower baskets. A fountain was placed in the center of the floor with summer houses at each of the entrances. The Afterprom began with a movie in Mansfield entitled "The Class of 44" with a feature attraction of "The Wet Hound". Couples then went roller skating at the Mansfield Roller Skating Rink. The whole Prom was a big success and everyone enjoyed themselves.

A Solemn Moment Before Leaving CCHS

On June third at two o'clock in the afternoon the graduating class of 1973 participated in Commencement exercises. The class marched in and out to music played by the high school band. The guest speaker for the ceremony was Congressman Tennyson Guyer. Two musical selections were sung by the Senior Choir members. A piano solo was presented by Valerie Sherk. Diplomas were handed out by Mr. Morrison and Mr. Downs while the class secretary, Mary Metz, read the names. Awards of Distinction and Merit were given out to deserving students. Rev. Pidgeon and Rev. Mathias gave the invocation and benediction, respectively.

Sr. Trip

This year the seniors, for their class trip, travelled by school bus to Mohican State Park. Upon arrival they enjoyed a sack lunch and played softball. They also went canoeing. The "kids" enjoyed a steak supper and resumed playing softball and riding bicycles. The rain did not seem to hinder the night's activities. Quite a few teachers even lost some money through a Poker game. Eight seniors were reported to have been lost while hiking in the woods. The following day everyone returned to the school tired and happy.

BELOW: Looks like you guys are having an interesting conversation!!

The world is changing so are the people who live in it. Are there as many people driving Model T's as there were in the thirties? Are the people attending high school now the same ones who attended when Colonel Crawford began?

As people change so do their ideas. This year the annual staff has made some changes. We hope these changes have created more of an interest in the yearbook! The ads section has probably undergone the most change. Before this year the ads section has seemed to be a waste of pages to many people. The annual staff has tried to have all new pictures. These pictures have members of the student body in them. The annual staff has also asked the student body to submit articles on any aspect of life.

The annual staff hopes that you are pleased with the Golden Eagle this year. Any constructive criticism or new ideas will be graciously accepted.
